Virtual Museum – Browse Online at: wamasonicgllm.org

There are thousands of books in the library for Masonic Research, New research documents being added to the Library and Museum web site weekly. Duplicate books “for sale” by donation just inside the door.

Volunteers: The Library and Museum is in need of volunteers that can assist us in reducing the decade or more of backlogged tasks such as Scanning old Photographs, Scanning books to make into PDF/Ebook online references, Data entry to fill the virtual Museum with artifact data (now on paper), We also need MS Access expertise. Many tasks can be done from home with the proper training. We need some technical expertise to assist with the Photography Archive, L&M Website, and photographing artifacts. Lastly we always need volunteers M,T,W 9am to noon to staff the Library and Museum.
